### Elaphiti islands Karaka classic cruise!

The secret getaway of aristocracy

Full day cruise every Monday; Wednesday & Friday Cruise with us on Karaka, the magnificent replica of a Dubrovnik Republic traditional merchant ship from the 16<sup>th</sup> century and explore the picturesque white-stoned towns of the Elaphite islands enriched with lush green pine-trees and clear blue sparkling waters of the Adriatic Sea. Indulge in bountiful local cuisine - a true delight for all your senses.

The Elaphite Island Karaka cruise is one of the most wonderful ways to discover history while cruising on a warm summer's day. We sail to the island of Koločep, covered by dense pine forest with a picturesque fisherman village lying along the bay. We will continue to the village of Sudurađ on the island of Šipan, a fisherman's port with a 16<sup>th</sup> century summer villa of the Skočibuha family. Our last stop will be Lopud island that boasts its long maritime tradition and is a home of famous captains and sailors. We will take a Lungo mare walk to the Franciscan monastery and the 19<sup>th</sup> century Gjorgic-Mayneri park and have enough free time at leisure for swimming on one of the sandy beaches.
