## FOOD AND DRINKS

- Don't bring food or snacks in the club. Children that drink energetic drinks (caffeine or sugar based) will not be admitted into the Club.
- Children **drink water while being in the Club**. We have water dispenser in the club, but we recommend you to bring water bottle with nametag due to outdoor activities and adequate hygiene.

## KIDS LUNCH SESSION

- Kids Lunch session is extra charge session for children from 4 years.
- Reservation is mandatory 24 hrs in advance.
- For child/ren that have allergies we make special meals with parents to advise.
- After the lunch children have **time to rest** from all the activities and to gain energy for the rest of our exciting day. During that time child/ren watch cartoons, play social games or read books. There is **no sleeping** during this time.

## EXTRA CHARGES

- Extra charges for billed sessions will be **added on your room/residence account by your signature** on our bill while making the reservation or after service has been provided.
- For no show without prior cancellation we charge full amount on your room/app.

## INFECTIOUS AND ILL CHILDREN, INJURIES AND EMERGENCY SITUATIONS

- In the unlikely event of **sudden illness or an accident affecting your child**, it is understood that childcare staff will endeavour to contact you immediately. **Emergency treatment** including any operative procedure and/or administration of general anaesthetic to the child in the event that parent cannot be contacted or arrive on the scene of the accident before Emergency services need to take action, **will be taken**.
- Please note that for the safety and welfare of all the children, Sun Gardens regrets that **ill children cannot be accepted in to the club** and the Club Manager and Staff reserve the right to refuse admission to a child if they believe they are ill or infectious. Before rejoining the club after illness, you may be required to sign a declaration that your child is fit and healthy and can take part in the full program.

## MORAL NORMS AND BEHAVIOUR

- There are no activities allowed in the club that would be contrary to the legal order and socially accepted moral norms.
- A parent, legal representative, or a person responsible for a child who interferes with engaging in arbitrary or **inappropriate behavior** (grieving, hitting, firing, throwing, inappropriate speech, and the like) will be summoned by phone to urgently come to the child.
- For any arbitrary and inappropriate behavior, the club's staff can, without explaining, move the child away from the activity until a **legal guardian comes to discuss** the behavior of the child.
- Club staff are not obligated to discuss with the child about the inappropriate situation in which the child participated.
- Club will not accept a child whose behaviour is antisocial or puts at risk their own safety or that of others.

## PHOTOGRAPHING AND RECORDING

- Photographing and recording of child/ren **is allowed only to club staff** with official cameras.
- Photos may be used just for evidences of activities done during the day.

## APPROVAL FOR OTHER ACCOMPANYING ACTIVITIES

- Some parts of the activities, that are included in the club program as an integral part of the activity (eg **facepainting, ice cream trip...**), must be approved by the child's parent while filling the sign-in form upon first arrival in the club.
- If the parent does not approve that his or her child can participate in the activity, the child will not participate. The activity will be modified or held with other children (depends on the activity).

## DISCLAIMER OF RESPONSIBILITY

- Sun Gardens endeavours to provide varied, fun, safe and physically active programs for children. Obviously in any activities, **accidents can occur**. Sun Gardens have a strict accident **procedure** to ensure all parents are fully informed of any accidents involving their child/ren. Sun Gardens cannot be held liable for any **costs** incurred in seeking treatment recommended by a doctor following an incident, unless this was a direct result of negligence. These costs would need to be claimed via your family's travel insurance.
