HEALING WATERS

The Omorovicza journey began when the **healing properties of Hungary's thermal waters** were discovered. Because of the unique geological features of the region, waters absorb beneficial minerals more effectively and that unique mix of minerals and trace elements make them incredibly healing. With Hungarian Laboratory of dermatology they incorporated the properties of the healing waters into a skincare range. Patented complex - Healing Concentrate™, used in products, delivers therapeutic minerals to the deepest layers of the skin.

The results are nothing short of extraordinary: firmer, suppler & younger looking skin.

ZERO NASTIES POLICY: all products exclude ingredients such as parabens, glycols, mineral oils, silicone, phthalates, sodium lauryl sulphate, synthetic colours, synthetic fragrances or chemical sunscreen.
