**A 3 night stay for two in the 5\*  
Radisson Blu Resort & Spa at  
Dubrovnik Sun Gardens**

**D**ubrovnik Sun Gardens and AREA are delighted to be able to offer an exclusive three-night stay including breakfast, for two people in one of the resort's one-bedroom residences with a view of the Croatian Adriatic Sea. Having been designed by a renowned group of Croatian architects in typical Mediterranean style and equipped with modern appliances, these residences combine world-leading interior design inspired by Hirsch Bedner Associates with generous outdoor living spaces. The prize includes one hour of heavenly relaxation with a massage at the on-site, award-winning spa.

Simply unwind and absorb the warmth of the Croatian sun while walking down the unspoilt, far-stretching beaches and admiring the unique Croatian coastline

with its almost 1200 islands, islets and reefs amidst the crystal-clear water. This is undoubtedly one of the most picturesque panoramas in Europe. The resort is located only twenty minutes from the historic old town of Dubrovnik, which is, like many other destinations in the area, a UNESCO World Heritage Site. The maritime flair, of the only ancient Eastern-Adriatic city to rival Venice's unique style, can still be felt amongst the pleasingly cool shadows of the old buildings. The lucky winners might like to take a break from the exceptional local and international cuisine and visit Renaissance heritage sites like the breathtaking Sponza Palace, dating from the 16th century and currently housing the National Archives.

This competition offers the highest standards of 5\* luxury accommodation coupled with a depth of history, culture and unspoilt natural beauty – this marvellous short break ought to be worth a quick phone call!
