SUN GARDENS SUMMER FESTIVAL

Sun enchanted evenings...

Spending the summer in Dubrovnik means not only enjoying its rich cultural heritage, gastronomy, beautiful islands and beaches, but also the wide variety of events awaiting visitors of this Croatian gem. With breathtaking views and a charming setting, the Sun Gardens Summer Festival has become a popular cultural addition to wonderful Dubrovnik evenings, offering a selection of fabulous open-air performances from 'a capella' classic ballads and symphony concerts to operatic arias with renowned musicians and themed jazz-style evenings.

In 2018, from June to August, Sun Gardens Dubrovnik will, once again, host accomplished musicians at various venues overlooking the magnificent islands which dot the crystal clear waters of the Adriatic. On warm summer nights, enjoy the lively and convivial atmosphere, savour a favourite glass of wine and let the music inspire your wanderlust. Could anything be better?

With its enviable seafront location and extraordinary gardens, Sun Gardens Dubrovnik offers a choice of stylish modern accommodation, exclusive facilities and a unique experience of this fabulous coast. Replicating the ambience of a traditional Mediterranean setting, the resort offers a perfect getaway from everyday life, allowing couples, families and groups of friends to relax and reconnect in an idyllic oasis. Check their calendar and join the Sun Gardens Summer Festival to discover a fabulous fusion of hedonism, outstanding music and attentive service.
