Mare Nostrum

Maraska Lounge Bar

Sun Gardens, Dubrovnik

Situated six miles from Dubrovnik, Sun Gardens is a five star resort on the Adriatic Coast, boasting views of the Adriatic Sea and the Elafiti Islands. Known for its inventive cocktails, the resort's various bars serve up original creations from bar manager Mirko Strazicic.

The Mare Nostrum is one of Sun Gardens' two signature cocktails and derives its name from the Latin for 'our sea'. Described by Strazicic as, "a light yet powerful mix with a refreshing scent of herbs and fruits," it features a combination of Gin Mare, orange liqueur, Blue Curacao, 1724 Tonic, fresh grape juice and a mint reduction.
