ISLAND KOLOČEP

- SMILING AT SUN GARDENS DUBROVNIK

The glorious island of Koločep floats on the crystal clear Adriatic Sea directly opposite the Sun Gardens Dubrovnik – its shape seems as though the island is smiling at us.

This evergreen island is a paradise of times gone by, so close to the mainland and yet so far away. Koločep is part of the Elaphite archipelago, a group of thirteen islands, and is one of the three islands that are inhabited. In fact the island holds a rather unusual record; it is the southernmost inhabited island in the Republic of Croatia. Although one could argue that it is only just inhabited as only around 200 people actually call it home, but what a spectacular place to call home.

With two main settlements on the island, Gornje Čelo (Upper Celo) and Donje Čelo (Lower Celo), each at different ends of this picturesque island you'll have plenty of space to call your own. A trip to Koločep is like taking a journey back in time, to a time when life was simpler and less cluttered. It is a walkers dream as there are no cars, and of course roads, of this Mediterranean gem. Wander, explore and discover

the natural beauties of an Adriatic island, the closest of the Elaphite islands to Dubrovnik as it sits only around 3 miles from the main Dubrovnik port. Of course from the Sun Gardens Dubrovnik the trip is considerably shorter, a brief boat ride over the turquoise sea and you are on an island paradise. This is a trip that will open your eyes to another way of life, Dubrovnik island life, a Mediterranean lifestyle where time is not measured with a clock but with memories.

Ancient olive groves, soaring palm trees, carob trees, fragrant citrus fruit and thick pine forests, the

evergreen island is an explosion of natural elegance. Take a stroll on one of the meandering paths and you find yourself within minutes in a hidden world of beauty, a world away from the hustle and bustle of modern life. Discover a sandy beach, yes on such a small island there are actually sandy beaches, and spend the day listening to the sounds of nature around you. You will be intoxicated with the still calm, the scent of the Mediterranean plants and the intensity of the colours of the Adriatic. The island is made up of limestone and dolomite rock but at each end every settlement has its own, natural, miraculous sandy beach. Have lunch in one of the many local taverns, fresh fish and seafood will be high on the list of recommendations and most of the menus reflect this. Enjoy one of the fine Croatian wines and unwind your body and soul... Koločep is a natural spa centre.

Koločep may be smiling at the Sun Gardens Dubrovnik but once you have set foot on the island you'll be smiling along with it.

BLUE CAVE

The Blue Cave on the southern side of the island Koločep is one of the hidden gems of the Adriatic. The cave itself is in a bay you can easily anchor in, and swim through the crystal clear blue sea. The Blue Cave is named after the splendid blue glow the sun reflects into the water, creating a fairy tale atmosphere. For the most impressive stalactites, head to the Koločep Island and discover cave Jabuka.

EXPLORE THE SEASIDE

Here at Sun Gardens Dubrovnik, the majority of leisure and recreation activities during vacation revolve around the crystal-clear Adriatic Sea.

Water sports are very popular in Croatia, offering sea lovers much more than swimming or sunbathing. Enjoy water sports and activities like jet and water skiing, diving, fun rides or exploring the islets on your own with a rented boat.

A Jet Ski Safari is organised with an instructor who follows alongside and supervises and educates participants on professional Jet Ski riding techniques. The islands you will visit are unique and accessible only from the sea, so they are really worth a visit. For those who want to explore and just enjoy the sun, sea and speed without guidance, Jet Ski Rental is a great option. For the experience of flying over the water, choose either a water jet pack or a flyboard and you will have the experience of a lifetime.

You can also explore an underwater world, swim with the fish and enjoy the beauty of this blue world with the course offered by the diving centre. For

advanced divers, trips can be organized to interesting locations. With over a thousand islands, islets and reefs in Croatia, this is also a great opportunity to rent a boat and visit Mljet, Korčula, Lastovo, Hvar or Biševo. Whichever of these options you choose, we are certain you will enjoy the stunning surroundings and have an adventure to remember. For more information visit the H11 team on the beach below Lemonia Pool and let your summer full of adventures begin.

SOMMELIER RECOMMENDS

The story about Croatian wine is rather fascinating, with more international experts praising the unique contribution they are making to the wine world. With more than 130 indigenous varieties, there is plenty to discover and here are our sommelier recommendations:

Malvasija Tezoro, Crvik, Konavle - Head a little south of Dubrovnik to the fascinating region of Konavle, with its ancient traditions and way of life, where the rare Dubrovnik Malvasia is king of the whites. Malvasija Dubrovačka is mature, warm, large, complex, solid, harmonious wine for top quality food. Crvik's Malvasija Tezoro got her name from a quotation from Držić's piece where "tezoro" is (treasure).

Dingač Vicelić, Pelješac - The Pelješac Peninsula is home to the best wines of this excellent variety. Vicelić is a boutique winery with a current production of 10 000 bottles of premium brand

„Dingač“ wine. Dingač premium quality, fascinating, rich red wine is characterized by fruits, dark cherry, blackberry and plum, entertaining bouquet with richness of sugar. Nuanced spices and oak barrels supported by solid, but ripe tannin structure.

Rose Korta Katarina, Pelješac - Tasting Korta Katarina wines is certainly a very special experience. Mild pink hue, with an intense scent of red berries and roses aroma. Freshly dry flavour, with prevailing aromas of strawberry, raspberry, and cherry. Medium body, balanced, with the mild finish!

DUBROVNIK SUMMER FESTIVAL

From the 10th of July to the 25th of August the cobbled streets, squares and facades of this historic city form the stages for drama, music and art. The city lives for the Festival and the Festival comes alive with the city. The 70th Dubrovnik Summer Festival is the most important date on the cultural calendar of the city. The city lives for the Festival and the Festival comes alive with the city.

One of the thematic and research guidelines for the Dubrovnik Summer Festival's theatre programme this year will be the questioning of culturological determinants of the Mediterranean. Tickets for Dubrovnik Summer Festival can be purchased online, directly at the box office or 2 hours before the performance. For more information and reservations visit Concierge or call 3566 from your room.

THE 70th ANNIVERSARY

It was at the beginning of the 50s, when there were many theatrical and musical events springing up all over Europe, that the Dubrovnik Summer Festival was founded. The works of Marin Držić, Nikola Nalješković, Ivan Gundulić and Ivo Vojnović were to become a mainstay of the drama programme, then, while with the understanding of the idea of the importance of ambience, which is the principal distinguishing feature of the Dubrovnik Festival, the specific theatrical values of the wider Croatian dramatic heritage gradually became revealed, as did the adaptability of the classics of European dramatic art to the squares, palaces, towers and parks of Dubrovnik.
