### **SUN GARDENS DUBROVNIK - THE BEST MICE HOTEL IN CROATIA AT THE 2022 WORLD MICE AWARDS**

We are delighted to announce that Sun Gardens Dubrovnik has been named the Best MICE Hotel in Croatia at the 2022 World MICE Awards, the global initiative that recognises and rewards the best practice in the MICE industry on a global scale.

World MICE Awards™ serves to celebrate and reward excellence in MICE tourism. The awards are the result of a year-long search for the world's leading MICE brands, voted by MICE industry professionals and the public.

Sun Gardens Dubrovnik has an extensive selection of function and meeting rooms, including a multifunctional ballroom, eight conference rooms, a variety of outdoor settings highlighting the Oak Tree as the largest outdoor function space in Dubrovnik, car-accessible exhibition areas, and unrivalled leisure and spa facilities. The rooftop terrace, three outdoor pools, the choice of restaurants and bars, and an onsite marina are just some of the 35 additional on-site venues available for hosting memorable meetings or incentives.

Attractive and accessible locations, state-of-the-art modular meeting rooms, educated staff, easy logistics, audio-visual equipment, and a wide range of facilities are all available for highly varied and customized events.

Sun Gardens Dubrovnik offers some of the largest and most flexible meeting spaces in Dubrovnik and has successfully hosted many blue-chip corporate conferences, automotive events, product launches, meetings, and incentives over the years. We are thrilled to be part of the finest MICE brands from across the globe, and we will strive to make distinctive settings suitable for a variety of events in the future.
